Honored Sheikh Mohammed,
Dear Amir,
Dear Geoffrey,

First of all, on behalf of the IJMC, I would like to thank you very much for the impressive and convincing application at the AGM 2024 annual meeting to propose Doha as the host of the JWM 2025. The result of the vote was more than clear with an almost unanimous majority and underlines once again the anticipation of all pilots to come to Doha in November 2025 to welcome the best jet pilots in the world at the fantastic flying site of the QRCSC.

As Chairman of the IJMC, I am pleased to officially entrust you with the organization of the 15th IJMC JWM with the certainty of being able to experience a unique JWM 2025 in Qatar.

I am looking forward to further discussions with your nominated focal point Amir Elhaddad to coordinate the next steps.

I am convinced that in Qatar we have found one of the best hosts for such an event and I am proud and deeply moved to be able to experience another World Championship in your wonderful country with the Qatari people and the international guests.

Sincerely Yours,

Frank Dohrmann
